**Winner of the 1<sup>st</sup> NHHS Alumni**  
**Scholarship to UNCW**

**I love to lift weights and play basketball. Currently a waiter at the Lazy Pirate Islands Sports Grill and love every minute working there. NHHS was an all-around wonderful and strengthening experience. My plan is to receive a degree in Marine Biology and find a career along the coast of NC. I appreciate every person involved in the NHHS Alumni Organization and could not be more thankful they chose me as the recipient of this scholarship.**
